

## OHIO RESIDENTIAL & SMALL COMMERCIAL TERMS AND CONDITIONS

Natural Gas Supply Service  
Direct Energy Services, LLC

**1. Agreement to Purchase Natural Gas.** Direct Energy will supply your natural gas as delivered by your Natural Gas Utility ("NGU"). These Terms and Conditions together with the Rate Plan Summary (defined below), which is incorporated herein by reference, constitute the agreement ("Agreement") between you and Direct Energy Services, LLC ("Direct Energy"). "Rate Plan Summary" means, as applicable, either the section of the enrollment consent form/letter of authorization entitled 'Rate Plan Summary' or the Schedule A accompanying these Terms and Conditions entitled 'Rate Plan Summary – Schedule A to Terms and Conditions.'

**2. Term of Agreement and Credit.** Subject to Direct Energy's acceptance of this Agreement and acceptance by your NGU, you hereby appoint Direct Energy as your exclusive limited agent to fulfill the terms of this Agreement. The "Initial Term" of this Agreement is set forth in the Rate Plan Summary. Your service under this Agreement will begin on your meter reading date as determined by your NGU tariff. Direct Energy's intent is to send an electronic enrollment request to your NGU within three (3) business days following your enrollment with Direct Energy unless a later date is agreed to. Your NGU will deliver your natural gas and provide billing and other services to you. If you are enrolled in a Fixed Rate Plan, after the end of the Initial Term, this Agreement will renew as described in the Rate Plan Summary and in **Renewal** (Section 7). If you are enrolled in a Variable Rate Plan, the price may change each month and will be set in Direct Energy's discretion based on the factors stated in **Renewal** (Section 7). This Agreement will be effective during the Initial Terms and through any Renewal Periods subject to the cancellation provisions of Sections 5 and 6 below. You understand that as part of Direct Energy's process of qualifying you for this Agreement, Direct Energy may investigate your credit history and choose to obtain a consumer credit report on you from a consumer-reporting agency. If Direct Energy learns that your credit, payment history, or account status is not satisfactory, Direct Energy may decline to provide natural gas service to you at the time of application, or refuse a requested rate plan change.

**3. Pricing, Billing and Payment Terms.** You will pay Direct Energy for your service at the rates for the Initial Term and during the "Renewal Period" (as defined in Section 7) as set forth in the Rate Plan Summary (subject to any change contemplated by Section 7). You will also pay gas distribution/transportation charges to your NGU. During the Initial Term, your service rate will include a monthly administrative fee ("Admin Fee"), if applicable, the amount of which is set forth in your Rate Plan Summary. The Admin Fee covers administrative costs for the procurement and management of your natural gas generation service. The Initial

Term and Renewal Period rate is exclusive of all applicable NGU related taxes and charges (including the applicable Transition Rider or similar charge, if applicable) as applicable. Your NGU will send you a monthly bill that will include your NGU's charges, Direct Energy's charges, and any other charges incurred in accordance with this Agreement. **Depending upon the date of the meter read, your bill from the NGU may be prorated. The prorated billing is a technique for applying standard methods to nonstandard billing periods. A billing period that is shorter or longer than the NGU's designated billing period days will have prorated charges based on a 30-day average for the applicable rate.** You will pay your bill in accordance with the NGU's billing and payment terms. If you are claiming tax-exempt status, you are responsible for providing Direct Energy with your Ohio tax exemption certificate, as it has been filed with the Ohio Department of Taxation.

**4. Failure to Pay.** Under the Initial Term or during the Renewal Period, in the event that you fail to pay your bill or fail to meet any agreed-upon payment arrangement, you are subject to disconnection and cancellation of this Agreement and service from your NGU, pursuant to its policies and practices. If you fail to pay your bill, or fail to meet any agreed-upon payment arrangement, Direct Energy may also cancel this Agreement upon fourteen (14) days' advance written notice. Such disconnection and/or cancellation will not relieve you of your payment obligations to Direct Energy, including any applicable early cancellation fee, or your NGU, for service to the date of such disconnection and/or cancellation. You have the right to request without charge up to twenty-four (24) months of payment history for services rendered by Direct Energy.

**5. Right of Rescission and Early Cancellation Policy.** Your NGU will send you a written notice confirming your decision to enroll with Direct Energy. You have the right to rescind your enrollment, without an early cancellation fee, within seven (7) business days after the postmark on the NGU enrollment confirmation notice ("Rescission Period"). Your utility will provide a notice with a cancellation number to confirm cancellation of the contract during this period. You can do this by contacting your NGU at the toll-free telephone number set forth in the Rate Plan Summary or in writing at the address also set forth therein. Thereafter, you may cancel service under this Agreement at any time during the Initial Term, subject to paying Direct Energy an early cancellation fee, if any, as set forth in the Rate Plan Summary. You agree to pay any such fee to us immediately, but in any event no later than ten (10) days after the date you receive an oral or written notice requesting payment. During the Renewal Period, there is no early cancellation fee. Otherwise, to cancel your service, you must contact Direct Energy by telephone or in writing.

**6. Cancellation or Transferring Service as a Result of Relocating.** Direct Energy and you will have the right to cancel this Agreement if you relocate to a service location that is: (a) outside

your NGU's service territory; (b) not served by your NGU; or (c) outside Direct Energy's service territory. If this Agreement is cancelled pursuant to the preceding sentence, you will not be charged an early cancellation fee. Before you relocate you must first call Direct Energy Customer Service, and then your NGU at the toll-free telephone number set forth in the Rate Plan Summary. However, if you relocate within your NGU's service territory, your service will transfer and this Agreement will automatically continue for the remainder of the Initial Term, if any, and automatic Renewal Period of this Agreement. Thus, you will receive Direct Energy's service at your new location pursuant to this Agreement. If you relocate within your NGU's service territory, you must: (a) call your NGU to inform the NGU of your request to transfer your NGU service to your new location; (b) obtain your new account information from the NGU; and (c) contact Direct Energy to provide your new account information and location to complete the transfer of service. You must provide written proof of your new location outside the NGU service territory to Direct Energy. If your service transfers as provided in this paragraph, you grant the NGU the right to provide Direct Energy with each account and meter number for your new service location(s). If requested by Direct Energy, you will also provide Direct Energy with this information. If service does not transfer to your new service location, this Agreement will be cancelled and you will be served under your NGU's regulated service commodity rate unless you select another natural gas supplier. If this Agreement is cancelled pursuant to the preceding sentence, you will not be charged an early cancellation fee.

**7. Renewal.** At the end of the Initial Term, your contract will continue unless either of us cancels the contract. We will send written notification prior to the expiration of any fixed price period, which will explain your contract renewal and pricing options. Your service will automatically continue under the specified terms unless you contact us to cancel the contract.

Fixed: If your service continues on a fixed price plan, your new fixed price will be stated in your notice. Any fixed renewal term will not exceed your initial term length.

Variable: If your service continues on a month-to-month variable price plan, we will determine the variable supply price at our discretion based on many different factors, which include our costs to procure and sell energy (which include the cost of wholesale energy, transmission, capacity, ancillary services, renewable energy certificates, grid system fees, and other costs), industry charges we are responsible for, customer retention rates, applicable state and local taxes, changes in weather, legal and regulatory issues, operating costs, expenses, and profit margins. The variable supply price can change each month and no single factor will determine the price. Our current and historical prices are not an indicator of our future prices and we do not guarantee any savings. Our prices may be higher than your utility's supply rate. We reserve the right to lower your price without notice or your

consent in any given billing cycle. Any price change may occur no more frequently than monthly.

**8. Switching.** If you change your natural gas supplier, your NGU may apply a switching fee under the incumbent NGU's tariff. If you return to your NGU after switching to a competitive supplier, you may be charged a rate other than the incumbent NGU's regulated service commodity rate.

**9. Assignment and Successors.** This Agreement can be transferred or assigned by Direct Energy to any affiliate or another supplier upon thirty (30) days advance written notice. After assignment, Direct Energy will have no further obligations under this Agreement. You cannot transfer or assign this Agreement to another party. This Agreement is binding upon you and Direct Energy and will inure to the benefit of the parties and their respective heirs, representatives, successors and permitted assignees.
