RATE PLAN SUMMARY

Electricity supply service in

TOLEDO EDISON

INITIAL / RENEWAL TERM SUPPLY RATE	$0.11390 per kWh. This does not include the price that your electric utility will charge you for the delivery component of your electric service.
INITIAL TERM	12 monthly billing cycles.
EFFECTIVE DATE	After you enter into this Agreement, the term of this Agreement will begin on the next available meter read date that your electric generation supplier is changed to Direct Energy by the EDU. The Initial Term of your service will begin on the start date of the next monthly billing cycle.
EARLY CANCELLATION FEE DURING INITIAL TERM	$0
RENEWAL PERIOD FOR SUPPLY RATE	We will send written notification prior to the expiration of your fixed price period, which will explain your contract renewal and pricing options. Your service will automatically continue under the specified terms unless you contact us to cancel the contract. Renewal to Fixed: Any fixed renewal term will not exceed your initial term length. Renewal to Variable: If your service continues on a month-to-month variable price plan, we will determine the variable supply price at our discretion according to the factors listed in your Terms and Conditions. Our service will continue on a month to month basis without your or our affirmative consent and despite any monthly changes in prices or terms and conditions until either of us cancels the contract.
ELECTRIC/NATURAL GAS CONTACT INFORMATION AND EMERGENCY CONTACT	For emergencies, contact Toledo Edison at 1-888-544-4877. For general inquiries call 1-800-447-3333 or write to PO Box 3638 Akron, OH, 44309-3638.

Your Utility will remain responsible for the delivery of power and/or natural gas to your home and will continue to respond to any service calls and emergencies. Switching to Direct Energy will not impact the reliability of your electric and/or natural gas service. Your Utility will continue to bill you on their regular billing cycles, and their bill will include the charges under your Agreement with Direct Energy. Your payments will be due as set out in those bills. If you are a Supplier Consolidated Billing customer, Direct Energy will begin to bill you on the utilities regular billing cycles. The utility charges will also be shown on these consolidated bills.
